Discrete Math Unit 2: Set Theory   Name_____

Date	Lesson	Students will be able to…	Homework
Thur 2/11	Introduction to Set Theory	Gain an understanding of the vocabulary used in Set Theory	Google form on Set Theory Vocabulary
Fri 2/12	Subsets and Combinations	Identify subsets and use combinations to determine the number of subsets	Google form on Subsets and Combinations
Wed 2/17	Set Operations	Identify equal and equivalent sets as well as find the union and intersection of two sets.	Google form on Set Operations
Thur 2/18	Quiz on Set Theory		
Fri 2/19	Venn Diagrams	Represent sets using a Venn Diagram	Google form on Venn Diagram
Mon 2/22	Applications of Venn Diagrams	Find the cardinality of subsets in Venn Diagrams	Google Form on Applications of Venn Diagrams.
Tues 2/23	ACT/Asynchronous Learning		
Wed 2/24	Asynchronous Learning		
Thur 2/25	Test Review		
Fri 2/26	Test
